

Foreclosure Stopped ... Liens Vanish ... Homeowner Walks Away With Cash in Pocket

And if that's not an eye-opener, all this happened in light of a previous bankruptcy! Here's the amazing details as told by the homeowner ...

“Thank you and your company, SaveMeFromForeclosure.com, for all of your help in regards to the property that we just sold to you. When I first received the foreclosure notice from the attorney’s office, I wasn’t quite sure what to do. I was nervous, and scared that I would lose my home. It was especially worrisome since the loan was in my ex-wife’s name, and she had filed for bankruptcy. Thankfully I found your company, and your free advice and insight were phenomenal. I’m glad that

you were able to help get the house out from underneath the bankruptcy court and were able to provide me with a plan to sell my home.

“You followed through on everything that you said you would do: not only did you reinstate the loan, and stop the foreclosure, but you also took care of all of the little details that I didn’t want to have to worry about: All of the outstanding liens were taken care of by your company. You purchased the house in “as-is” condition, so I didn’t have to worry about any of the repairs that needed to be done. You worked with the bankruptcy court to get the house in a position where I could legally sell it again. And you did all this work without charging me a fee OR a commission.

“Most importantly, you were able to pay me CASH for my equity, as we had agreed. It was so nice to be able to leave all of the details to you and your company, and for me to be able to just attend the closing, and pick up my check.

“Thanks again for all of your assistance, I would hate to think about what would have happened if we had never found your company.”
